A girl who did not lack for beaux
Assumed quite an indignant peaux
And cried, "What's this?
Some one stole a kiss,
And it happened right under my neaux."

COUNCIL PROCEEDINGS

As stated in yesterday's LEDGER, there was a conference held yesterday afternoon between the Brick Street Committee and the Contractors, Henkel & Sullivan, and a called meeting of Council last night.

Each side was represented by Counsel. The city's interest was guarded by Hon. E. L. Worthington, and Sallee & Slattery represented the Contractors.

Propositions and counter propositions were talked over last afternoon and night but no conclusion or agreement arrived at, and in consequence the meeting adjourned until this morning at 9 o'clock.

The time limit for the completion of the entire work was up yesterday, and yet little over one half of it is finished.

The Mayor, Committee and Council have bent every energy in having the work done as the contract and specifications call for, but have not succeeded, and they have now arrived at that point where patience ceases to be a virtue, and will compel these autocrats, Henkel & Sullivan, to do something or vacate the ranch—in other words, give a double riveted assurance that the two streets, Second and Third, will be completed and turned over to the city in the next forty days.

No more monkey work goes, and moreover somebody else than Mr. Henkel is to supervise the job.

GREAT SPEECH

Secretary Shaw at the Opera-House Yesterday Afternoon

Hon. Leslie M. Shaw of Iowa and Secretary of the United States Treasury, addressed a fair-sized audience in the Opera-house yesterday afternoon. If the audience lacked in numbers—which it did, considering the distinguished personage—it made up in intelligence and class, a goodly portion being ladies.

The stage was appropriately draped with the flag of our country, the center and large one having attached thereon a life-size picture of President Roosevelt and on either side flags containing pictures of the martyred Lincoln and the Plumed Knight, James G. Blaine; the speaker's stand was decorated with fall flowers and golden-rod.

Hon. W. D. Cochran in chosen words and rounded periods introduced the speaker. The Honorable gentleman is not prepossessing in appearance, being long, lank and lean and resembling the make-up of Henry Clay—a man of brains and nerve. His voice is musical and manner delightfully charming and pleasing.

He intermingles his speech with pleasantries, but avoids sophistry.

For two hours he held his audience in profound and rapt attention to his masterly presentation of history as made by the Republican party. He dealt in facts and truths and what he said will be food for our Democratic friends and if well digested will do them a considerable amount of good and possibly be the cause of their regeneration. He spoke of the good work performed by Congressman Bennett and of the necessity of his return.

From here he went to Ashland.

"MY WIFE'S FAMILY."

"My Wife's Family," billed for Wednesday night at the Washington Opera-house, played at Lexington Friday night and here's what The Herald says of it—

Plenty of fun was afforded the large audience who saw "My Wife's Family" presented at the Opera-house last night. John McDowell, who played the part of Dr. Knott, kept the audience in an uproar of laughter by his jolly songs and funny jokes. Mabel Guy, who played the part of the mother-in-law, caused no end of trouble between her daughter and her son-in-law. Harry Ellsworth, the son-in-law, finally secured the aid of Officer Ketchum to help him get rid of his mother-in-law, which they planned to do by getting a piano. This was done and was the means of causing all the trouble. The vaudeville specialists introduced during the act of the play by the Donells, the Ellsworths, Gale and Wensley, Cecil Leonard, Marie and Grace were especially entertaining and were the principal part of the show. The show taken as a whole was a good one and expressions to that effect were heard from the audience as they were leaving the theater, and by the number of encores the singers had to answer.

Creighbaum, tailor, over Smith's shoe store.

Indian summer is now due, and we can expect some delightful weather.

Mr. Charles Daly of West Second street, who has been a popular "Knight of the Grip" for several years, traveling for a Cincinnati house, has entered Harvard College to study law.

At Owingsville Saturday Judge Allie W. Young discharged the Grand Jury for failure to perform their duties and chose a new Grand Jury to meet next Monday to investigate the alleged sale of whisky which has been going on in Bath county, in violation of the local option law.

WANTED.

An intelligent, energetic and honest boy to deliver THE LEDGER in the Fifth and Sixth Wards.

Greatest tonic and strength producing remedy ever offered suffering humanity. Cures indigestion, constipation, headache, stomach disorders. That's what Hollister's Rocky Mountain Tea will do. Tea or Tablets, 35 cents. J. Jas. Wood & Son.

Fannie Shafer was yesterday adjudged a lunatic in the Circuit Court and ordered sent to the Asylum at Lexington.

The Sheriff reported Uncle George Wood as a regular Juror in the Circuit Court. The Jury was dismissed yesterday for the present term.

Charles Heinz, the Third street butcher, has been away from the city for several weeks, and his continued absence has created an impression with quite a number of merchants and others to whom he is indebted that he has fled the coop and left them with the bag to hold. Among other extravagant purchases was a \$25 diamond ring which the high-flying Charles presented to his favorite girl. He filed a suit in the Mason Circuit Court some time ago for a divorce from his Cincinnati wife, and he may later return to prosecute the suit. In the meantime his creditors can hold their breath and await events.

GLOBE STAMP CO.

WE GIVE GLOBE STAMPS. WHY We Can Sell You Better Goods for Less Money Than Any Other Store in This Section of Kentucky. WE GIVE GLOBE STAMPS.

BECAUSE

We are the largest store. We buy in the largest lots. We buy direct from the mills. We sell more Drygoods than all the other stores in Maysville together. Buying direct in large lots

WE CAN SELL CHEAPER

Because we eliminate the middle man's profit. That we sell cheaper is proven by the growth of our store, and it will continue to grow because we SELL CHEAPER, and THIS BIG STORE CAN DO IT.

Ladies' Suits!

A young bride-to-be, with her mother and father, passed through Maysville on her way to Cincinnati to buy her outfit. Having some time before train time they visited all the stores to see what they could do in Maysville.

THEY NEVER WENT TO CINCINNATI.

We saved them car fare, hotel bill and money on the goods they bought, and they bought a big bill. They took meals in Maysville, they shopped in a number of stores and left lots of money in Maysville

JUST BECAUSE

Maysville has a store like ours. We keep more money in Maysville for other stores than do most of the other stores keep for themselves; and yet, with few exceptions, how many would admit it? We are for Maysville—EVERY SINGLE STORE IN TOWN. We are doing our share; we hope the others are. It's our aim to help all.

UNDERWEAR!

LADIES', MISSES', CHILDREN'S, MEN'S AND BOYS'.

The kind that keeps you warm in cold weather; the kind that saves doctor's bills if you buy in time.

NOW IS THE TIME!

These cool October days.

KEEPS THE CHILDREN HOME

SECRETARY SHAW's speech at the Opera-house yesterday was not a "play to the galleries;" it was not a political speech as modern political speeches go; it was a logical comparison of the economic policies advanced by both parties, with the facts always in favor of the Republican contention, and throughout the subject was treated from the standpoint of a real statesman rather than from that of an office-seeking politician.

OLD PEOPLE

NEED VINOL

Because it contains the very elements needed to rebuild wasting tissues and replace feebleness with strength. We return money if it fails to benefit.

JOHN C. PECOR, Druggist.

When a Cincinnati street beggar asks you for a piece of money, you'd best "cough up." If you don't, he will send you to the Hospital with a hole in your head. At least that's the program under Dempsey's Democratic Reform Rule.

R. E. HUGHES, Secretary of the Louisville Commercial Club, is in New York trying to induce desirable immigrants to locate in Kentucky. The last Legislature was generous enough to appropriate \$2,000 to be expended for this purpose. What is needed, however, is action by the Legislature looking to an entire change in Kentucky's tax laws, and the relegation of politics to the rear all along the line. The prime need is more business men and fewer partisans at Frankfort. With these changes, there will be no trouble in getting all the immigration that is needed, both foreign and domestic.

Senator Pitchfork Tillman predicts a race war, North and South, within ten years.

Mr. and Mrs. C. A. Goodman of the county returned Monday from Portsmouth, where they had a most delightful visit with G. P. Goodman and family and Mr. and Mrs. John Hughes and other friends.

Police Court.

The Police Court was doing overtime yesterday. It was the most strenuous day of Judge Whitaker's incumbency. Business began early and continued late. There were fifteen cases tried with thirteen convictions and two dismissals. The charges consisted mainly of drunks, disorderly conduct and violating the Sabbath.

The fines and costs assessed amounted to \$154.90, all of which goes to the school fund.

Last month was a prolific one, the business transacted by the Court amounting to over \$500, and if the lick is kept up as it has started out October bids fair to excel September in filling up the coffers for the purpose of education.

Just think of the comfort that has been denied the dependent ones from whom this money is taken. The wives, children and mothers who have suffered for the necessary comforts of life on account of the bibulous appetite and bad conduct of fathers and sons are too numerous to mention.

Mr. Charles E. Biggers left yesterday to attend the Lancaster (O.) Fair, where his horse, Miss Nurse, is entered in two races.

Total gold engagements are now \$40,027,000, with \$17,315,000 still to arrive.

Sixteen bodies have been recovered from the West Fork Mine of the Pocahontas Collieries Company at Pocahontas, Va., where an explosion occurred Wednesday. Thirty to forty more men are entombed in the mine and it is believed that all of them have perished.

A trial which promises to arouse more than usual interest began at Toms River, N. J., yesterday when Dr. Frank Brouwer was put on trial charged with the murder of his wife. Measures will be taken by the Mexican Government to prevent hoarding of corn in anticipation of higher prices, and it is probable that the duty on foreign corn will be temporarily removed. Government experts believe there is an abundance of native corn in granaries all over the country and that the high price is the result of a combination.

TO THE PUBLIC!

I am a little bit puzzled this morning about writing this advertisement, as I know so much that will be of PARTICULAR INTEREST TO YOU. Will state I have a great many splendid pieces of property located in the city of Maysville that I am quite desirous to dispose of. I also have a number of good farms located in Kentucky and Ohio which I am offering at very reasonable figures.

There was never a BETTER time to buy property than just at the present, for the reason that you can get long payments and a very low rate of interest.

Wishing to get your minds in the PROPER CHANNEL for real estate investments I have decided to have a Combination Sale on Wednesday, October 24th, and have some good music and other attractive features. Previous sales of this character have proven quite successful. I am expecting this one to be a much greater success.

Look about you, if you please, and review the real estate situation in Maysville. If you are candid you are bound to admit that things have improved wonderfully in the past three and a half years. Whether this is due to improved conditions or to an active agitation of real estate matters is left for you to judge. No one can successfully dispute the fact that more property has changed hands in Maysville and more farms in Mason county during that period than in the fifteen years previous. Some persons are generous enough to attribute this activity in a large measure to the efforts of your HUMBLE SERVANT.

Asking that you contribute all in your power to assist me in future efforts for larger results, and requesting your presence and encouragement at the Combination Sale Wednesday, October 24th, I remain,

Yours for MORE SALES,

COURT'S OPINION

Decision of Appellate Judge in Suit of Collins v. Beckley

The suit of Pat Collins v. J. L. Beckley, taken up from this county, was recently affirmed by the Court of Appeals, Judge Lassing rendering the following opinion—

First—Contract—Sale of Tobacco—Delivery—Ascertaining Quality—Passing Title.—A written memorandum signed by J. L. Beckley and Pat Collins reads as follows:

"Pat Collins bought J. L. Beckley's crop of tobacco est. 8,000, at 7½ cents per pound, to be delivered at Mill Creek, Ky., on or before April 18th, 1904." In an action to enforce said alleged contract for sale of a crop of tobacco, held: In order to determine the price to be paid for the tobacco, it not only had to be delivered at the point agreed on, but had to be weighed and the price ascertained, and until this was done the title to the tobacco did not pass.

J. M. Collins was the Attorney for appellant and Judge Thomas R. Phister, for appellee.

SALE IS ENORMOUS

Cooper Preparations the Leading Topic in St. Louis

St. Louis, October 8th, 1906.

The most interesting feature of the enormous sale of the Cooper preparations, now going on in this city, is what the medicines are actually accomplishing among the people of St. Louis.

At the commencement of his visit here Mr. Cooper prophesied that during the latter part of his stay he would receive hundreds of callers daily who came simply to thank him for what the preparations had done. He also stated that stomach trouble is the foundation for a great many diseases, and that his New Discovery, as it is called, would prove very effective in all cases of rheumatism, simply by getting the stomach in working order.

That this prophecy has been fulfilled cannot be doubted after a half hour spent at the young man's headquarters, listening to what his callers have to say.

A reporter who watched to ascertain, if possible, some light on the reasons for the immensity of Cooper's success interviewed about twenty of his callers yesterday afternoon. The statements made by those seen indicate that physicians who claim that Cooper is merely a passing fad, have not looked into the facts.

Some of these statements were as follows: Mrs. Anna B. Hampton, living at 1422 Michigan avenue, upon being questioned, said:

"I have been troubled with general debility, weakness, dizziness, headache, sleeplessness and stomach trouble, for over three years. I had tried a number of medicines and visited several doctors but none helped me. I heard on all sides of these Cooper Remedies and decided to try them. Any one who says that they are not wonderful medicines, does not know what they are talking about. After I used the first bottle, I noticed a decided improvement. I have taken three bottles of the New Discovery and I now feel as well as I ever have in my life. I sleep and eat as I have not done for years, and I am happier than I have been for a long time. I have come here to thank Mr. Cooper for what he has done for me."

The statement of John F. Ehrndal, living at 927 N. 11th st., was as follows:

"I have suffered with stomach trouble and constipation for a year or so. When I ate I would have bloated spells, sour stomach, fermentation, bad taste in my mouth. In the morning, I was as tired as when I went to bed. I had a dull pain in the lower part of my back, and had to get up several times in the night. I have almost taken one bottle of the New Discovery and I am so wonderfully improved that I have come down here to thank Mr. Cooper in person and obtain more of the medicine."

Another statement was made by Miss Margaret Gordan, living at 210 Center st., who said: "I have been a sufferer with rheumatism for several years. I have tried many remedies, and have been treated by a number of physicians. Nothing helped me in any way and I despaired of finding relief. I was in a general rundown condition, also, and had some stomach trouble. I was told by friends of the Cooper remedies and decided to try some of them. I purchased some of the New Discovery medicine, although it took me three hours to do so, as the crowd was so dense. This was last Thursday. I was improved almost immediately."

"I have continued to take this wonderful medicine and I am now without a sign of rheumatism. My general health is also greatly improved, and I have not felt so well for years. I would not have believed that there was a medicine on earth that would do what this has done for me. I am so much happier that I am very grateful to the man that has made it possible for me to regain my health. He has the most wonderful medicine that I know anything about."

Other statements taken from those who had previously used the medicines seem to prove that Cooper's success throughout the country is genuine.

DECIDE YOURSELF.

The Opportunity Is Here, Backed By Maysville Testimony.

Don't take our word for it. Don't depend on a stranger's statement. Read Maysville endorsement. Read the statements of Maysville citizens. And decide for yourself. Here is one case of it:

Mrs. Mary Thomas, wife of J. A. Thomas, of 204 Limestone street, Maysville, Ky., says:

"I am only too pleased to confirm the statement I made in the spring of 1900 recommending Doan's Kidney Pills, after they had relieved me of backache and other symptoms of kidney trouble. I got them at J. Jas. Wood & Son's Drugstore. During the years that have elapsed since I made that statement I have had occasion to give Doan's Kidney Pills a further trial and I have found that it requires only a few doses to ward off attacks of kidney trouble or to check them before they become serious. I can also point to the case of my boy, twelve years old, who at the time I first used Doan's Kidney Pills was troubled with a great deal of weakness of the kidneys and could not control the secretions properly. I gave him Doan's Kidney Pills and he improved rapidly under the treatment. The relief he found has proved lasting and from his experience and mine I am certainly warranted in recommending Doan's Kidney Pills."
